

Title	Ireland's High Crosses
Alternative Title	High Crosses of Ireland
Abstract	A map of the High Crosses across the island of Ireland. Compiled from the records of the ROI's National Monuments Service and NI's Sites and Monuments Record. This dataset provides locational details of Ireland's High Crosses with details on condition, accessibility and links to UCC's High Cross database. As with all national monuments, take appropriate care and seek permissions if intending to visit.
